Workshop 203: What Can the "Reg" Do for You?

Friday, February 7, 2020

10:30 AM - 12:00 PM

Come learn how states are implementing the 2016 federal regulation, which encouraged flexibility, efficiency, and modernization. Hear from a panel of states on how the regulation has allowed their programs to solve problems, create solutions, and modernize for today's world. Panelists will discuss the experience of interpreting and implementing the regulations, working with other stakeholders, and plans for future work. They will focus on how the regulations are encouraging a policy and practice approach benefiting economic mobility.

Speakers: Steve Capps, Sean Gorman, David Love, Adam Norman

Moderator: Paul Gehm
