Plenary I: Bringing Awareness to Action: Creating Equity Through Policy Change

Tuesday, February 23, 2021

11:00 AM - 12:30 PM ET

This exciting plenary features renowned author and speaker Dr. Nita Mosby Tyler, presenting Igniting the Power of Us: Exploring our roles in the important work of equity, inclusivity and diversity. We will also hear from a panel of some of the child support program's finest leaders, NCSEA President Lisa Skenandore, and Policy Forum co-chairs Erin Frisch and Shaneen Moore. The opening plenary sets the stage for the rest of conference by introducing the theme of the 2021 Leadership Symposium- Working Towards Equity Through Policy. This plenary will help us develop a common understanding of definitions, history and power structure. We will learn how systems can feed inequality. We will gain knowledge to help address equity in our home jurisdictions and across the child support program nationally. We will gain insights that shift us from learning and exploring, to doing. Please join us!

Speakers: Erin Frisch, Shaneen Moore, Dr. Nita Mosby Tyler, Lisa Skenandore
